

Newton Newspapers

The Newton Free Library maintains a large microfilm collection of Newton newspapers that have been published from 1866 to 2022. Microfilm storage cabinets are located on the third floor. Paper copies of the most recently printed newspaper, **The Newton Tab**, are kept until the microfilm is received at the library. Ask a Reference Librarian if you need assistance. [The Newton Graphic](#) for the years 1886-1986 is available online.
