About

Summer Reading June 1st- September 4th

Join us this summer as we celebrate reading at the library! Track your reading (books, audio books, graphic novels, magazines - everything counts!) on this sheet. Once it's full bring it in to the children's room to get another page and spin the prize wheel!

About

Summer Programming

This year's summer reading theme is "Plant a Seed, Read." Check our online calendar for fun events happening all summer long!

Newton Free Library

It takes 2 hours of reading to grow a plant. Each growth stage takes 30 minutes of reading to complete. As you finish this reading log, you will grow 5 plants! Color in each stage as you go.

Once you complete your reading log, visit the Children's Room at the Newton Free Library to spin our prize wheel and collect your next reading log!
